

Your reusable template — from a blank page 白紙版

Write your own five parts. Use only the ones you need — five is a ceiling, not a floor. / Tulis sendiri lima bahagian.

#role

#task *one verb, one deliverable*

#context *facts the AI cannot guess — dates, background, what already happened*

#constraints *tone · what must survive (deadline, names, titles)*

#format *the shape of the output · language*

Then: run it → **find one thing to fix** → sign *AI-assisted, verified by [name]* → submit to the Prompt Dojo. Keep [SLOTS] for the parts that change each week.
