

Your reusable template — starting from 30 points 穴埋め版

Fill only the [BRACKETS]. Test it once, find one thing to fix, sign it, and send it to the Prompt Dojo. / Isi tempat kosong sahaja.

#role — who is writing?

You are a(n) [your role] at [your organisation/division].

#task — one verb, one deliverable

Draft a [email / memo / letter / table / summary] to [who] about [what].

#context — the facts it cannot guess

Key facts: [deadline] · [background in one line] · [what has already happened].

#constraints — tone and rules

Tone: [formal but warm / formal]. Keep: [the deadline / all names and titles in full]. Thank: [those who already responded].

#format — what the output looks like

One [short email with subject line / half-page memo / table with columns: ...]. Language: [English / Malay / both].

A real © from Monday's sparring: #role HR officer · #task issue interview invitation emails to shortlisted candidates · #constraints change the candidate's name in each opening; reply by 26 Aug 2pm · #format one structured formal email with [DATE] [TIME] [VENUE]

Finish the ritual: run it → **find one thing to fix** → sign *AI-assisted, verified by [name]* → submit to the Prompt Dojo. Slots in [brackets] stay in your saved version — only fill them when you use it.
